To the Commissioner:

## REMARKS

The Examiner has requested replacement drawings for the present application, because "the character of the lines, numbers and letters are poor" in Figures 1(a), 4, and 6; and because Figures 1(a) - 1(d), 5, and 6 are marred by black smudges, obliterations, or fax/copier marks.

Applicant submits Replacement Sheets of drawings, including Figures 1(a)-1(d), 2-6. The Replacement Drawings are now clear and have been amended under 37 CFR 1.121(d) only to correct the above deficiencies. No new matter has been added to the Figures.

Applicant submits that the Application, *in toto*, is now complete and in full compliance for issuance.

Should the Examiner have any questions or comments with respect to the application, the Examiner is requested to contact the undersigned attorney. The Commissioner is authorized to charge any fees or credit any overpayments relating to this application to deposit account number 18-2055.
